# Information for The Buyer

**TIME:** Saturday, November 10, 1945. SHOW 10:00 A.M. SALE 1:00 P.M.

**LOCATION:** Purebred Sales Pavilion, Staunton, Va. The pavilion is on Route 11, about 3 miles north of Staunton.

**SALE HEADQUARTERS:** Hotel Stonewall Jackson, Staunton, Va.

**GUARANTEE:** All cattle have passed a negative test for Tuberculosis and Bang's disease within a period of 30 days prior to the sale, and proper health certificates will be furnished. Bulls are guaranteed breeders if properly cared for and not allowed to run with the herd when under 20 months of age. If a bull fails to breed he may be returned to the seller, if in as good condition as when bought and if after a test in the seller's herd he still fails to breed he will be replaced or the purchase money refunded. All cows and heifers over 16 months at the time of the sale are guaranteed breeders. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. Animals returned to sellers because they do not comply with the guarantee will be at buyer's cost of transportation. The above guarantee shall constitute a contract between consignor and buyer of each lot. Neither the Sale Manager, Clerk of the Sale, nor Virginia-West Virginia Shorthorn Breeders' Association assumes any liability, legal or otherwise.

**TERMS:** The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All animals are at the buyer's risk as soon as bid off, but will not be released until settled for.

**REGISTRATION:** A certificate of registration with properly recorded transfer of ownership will be furnished for each lot sold, and an application for registry furnished for each calf sold at foot and for each unborn calf sold in dam.

**MAIL BIDS:** Those wishing to buy at this sale who cannot be present may send their bids to C. K. Tomson, Secretary of the American Shorthorn Breeders' Association, 7 Dexter Park Ave., Chicago, Ill.; to Hal Longley of the Shorthorn World, 16 So. Locust St., Aurora, Ill.; E. M. Huff, The Eastern Breeder, Warrenton, Va.; or to the Sale Manager.

**AUCTIONEER:** J. E. Halsey, Des Moines, Iowa.

**SALE MANAGER:** Dan T. Cox, The Plains, Virginia.

## Virginia-West Virginia Shorthorn Breeders' Assn.

Prof. R. E. Hunt, Blacksburg, Va., Secretary-Treasurer

The American Shorthorn Breeders' Association will reimburse any purchaser or group of purchasers, who buy and ship a carload of ten lots or more from this sale to one destination, up to a maximum of \$200.00. Why not contact other breeders in your locality in an effort to consolidate one shipment?

# Virginia-West Virginia Shorthorn Breeders' Assn.

## Show — Saturday, Nov. 10, 1945 — 10:00 a. m.

**JUDGE**  
George Beattie, Beltsville, Md.

### **Show Classification**

For the purpose of this show, all animals have been divided into classes according to age and sex. There will be eight classes. Each sex will have a grand championship and a reserve championship. First prize animals in each class will be eligible to show for championships.

The American Shorthorn Breeders' Association has provided \$100 cash premium money and the Virginia-West Virginia Shorthorn Breeders' Association has added another \$100 to this amount, making a total of \$200 available for cash premiums.

ROYAL GOLDSPUR is a good type, thick fleshed bull with lots of bone and a splendid head. His sire is Royal Prince who sired the champion bull and female of the 1944 sale. His dam is Duchess of Gloster, by the champion Fascinator. She also produced the champion bull of the 1943 sale, and another son heads the herd of Mr. Clarence Symns, Peterstown, W. Va. We have kept all of her heifer calves.

**LEVELDALE BRIDE 14th is a lowset thick, deep cow backed up by the best of breeding from the famous Mathers herd. Her grand dam, Leveldale Bride, was the dam of the good sire Leveldale Foray. Sells bred as of September 2, 1945 to Edellyn Royal Leader 5th, son of the All American Favorite, Edellyn Royal Leader.**

# Shorthorns

# For Profit!

Short-legged, heavy-fleshed, low-flanked, early maturing beef-type Shorthorn cows like these return many times over their purchase price. Along with a good bull they are the solid foundation upon which scale and size in a beef herd is maintained. You'll find good purebred Shorthorn cows in this sale at real down-to-earth prices.

**VALLEY VIEW ROSELEAF**—Mark this heifer in your catalog and look her over November 10th as we believe she will please the most critical. Pasture bred between June 1st and September 1st to Royal Count.

A record price of \$6.25 a pound was paid at the 1944 American Royal for "Skeeter," the Shorthorn steer that was made grand champion over all breeds in competition with 375 others. He is shown

here with his owner, 16-year-old Ray Gene Cinnamon of Garber, Okla., FFA member. The steer netted a total of \$8,847.50 with added prize money, said to be the greatest aggregate reward ever received from the exhibition and sale of a

single steer. Ray is the first one to receive the \$1,000 offered by the American Shorthorn Breeders' Association for a grand champion steer at a major show. "Skeeter," weighing 1,095 lbs., was bought by the American Meat Co. of Kansas City, and immediately donated to Father Flanagan's Boys' Town. Judge Alex Edgar said that this steer was one of the finest animals he had ever seen.

HI HO MYSIE is a deep, thick, blocky, dark roan heifer, standing close to the ground. She is a granddaughter of the incomparable Perth Champion, Calrossie Mercury, which heads the new dynasty at Edellyn Farms. She combines the breeding of Merryvale Farm with that of Edellyn Farm. Her dam was a particularly good milker. She has been vaccinated for Bangs and has carried the service of Hi Ho Farm's senior herd sire, the deep red, imported bull—Saltoun President—since May 16, 1945.

**LOYAL PRINCESS 17th**—This beautiful heifer is really hard to fault, has wonderful thickness and depth, built close to the ground and has a feminine head. She sells bred to Sni-A-Bar Superb Mercury, a great son of Edellyn Campeon Mercury, that was Reserve Champion at the 1944 International, as of June 14, 1945,

# Unequalled For Adaptability

The solid rock upon which the reputation of the Shorthorn rests, is its unequalled range of adaptability. The versatility of Shorthorns insures complete adjustment to farm or range conditions. They are unequalled in their ability to convert grass into prime beef. From Maine to California, Shorthorns are winning their way into the hearts and pocket-books of thousands of new owners. The greater weight-for-age, abundant milk and easy feeding dispositions, make them the choice of farmers and ranchers for breeding and commercial herds alike.

ROAN AUGUSTA 152d—We consider this a very choice pedigree combining the blood of Collynie Victor Royal with that of the great Browndale Cumberland. Bred July 10, 1945 to Sni-A-Bar Superb Mercury.

The profit value of the earlier maturing ability of the Shorthorn over other beef breeds was the talk of the 1945 Denver National Fat Stock Show. In the feeder steer carlots, three loads of Shorthorns competed against 37 loads of other breeds. Josef Winkler, Castle Rock, Colorado, won reserve grand championship over all breeds with this load of Shorthorns—they outsold the grand champions of another breed by \$3 per cwt. (\$28 to \$25)—they outweighed the grand champs 90 lbs. per head at the same age—and the load of 53 short-horns brought \$1,940.33 more than the load of 55 head of grand champions. Who says that greater-weight-for-age doesn't pay?

ROAN CLARET 4th, a very short-legged, thick heifer with a double cross of the good sire Browndale Essander by the Imp. Cruggleton Guardsman.

# 70 Pounds More Per Yearling

Definite proof of just how much extra weight a Shorthorn bull puts on his progeny when crossed on females of other breeds is given by A. B. Hall of the Hall Cattle Co., prominent commercial cattle producers of Alliance, Nebr. In a herd of white-faced cows, 50 per cent of the sires used annually are heavy-boned, rugged, Shorthorn Bulls. Mr. Hall credits these bulls with the 88 pounds of extra weight that each steer shows as it comes off grass to be marketed as a yearling.

Thousands of Southeastern farmers, too, are learning that the rugged, short-legged, heavy-fleshed, early-maturing, beef-type calves of Shorthorn breeding are bringing quick cash from reclaimed land. Think what this extra weight can do to boost your own farm income! So **BUY BULLS IN THIS SALE** for those **EXTRA PROFIT-PRODUCING** calves from your own cows.

# The South Will Soon Rival The West

It was not an act of chance when the H. Moffat Company of Elko County, Nevada, the West's largest independent meat packer, feeder and operator of one of the largest ranches in the U. S., decided to buy Shorthorn bulls to cross on 16,000 white-face cows when the steers were becoming light-boned from straight breeding. In spite of initial pessimism among dyed-in-the-wool white-face breeders, these big, husky, crossbred Shorthorn calves, with greater weight-for-age, shown here, are now bringing enthusiastic praise even from the skeptics. Everywhere the need for scale, weight-for-age, adequate milk, a general revamping of type and quality of cattle breeds is being done the SHORTHORN way.

In its new emergence as a dynamic beef producing section, the Southeast will soon be a strong rival of the West in market-topping steers. One of the best ways to start is by using the rugged, heavy-boned Shorthorn bulls to be sold in this sale on native cows.

GWENDOLINE 108th is a beautiful roan, deep and thick, and is a full sister to the Champion bull of the 1944 sale. Her dam, one of the best daughters of Imp. Cruggleton Guardsman, also produced the top selling bull of the 1943 sale. We hate to let this excellent foundation prospect leave our herd. Sells served by Sni-A-Bar Superb Mercury, Reserve Champion at the 1944 International.

# Shorthorns Prove Their Greater Profit

C. D. Lowe, extension animal husbandman for the United States Department of Agriculture, has published a statement showing how the use of Shorthorn bulls can increase efficiency and produce more beef, according to tests at the livestock experiment station in Miles City, Mont. The study included 57 steers from Hereford cows and sired by Shorthorn bulls, and 67 purebred Hereford steers. In each of two years the crossbred steers were heavier at birth than the purebreds. This advantage increased at weaning time, and at the end of the feeding period the crossbreds outweighed the purebreds by an average of 68 pounds per head. All the steers were fed and handled alike and marketed at about 900 pounds.

The crossbred calves gained more rapidly in the feed lot than the purebreds, and dressed and graded higher on foot and in the carcass. The sales prices were approximately the same, but the crossbreds returned \$10.39 a head greater profit than the purebreds. The crossbreds had fewer digestive disorders and generally were less variable.

**YOU CAN START NOW** enjoying those top profits which come from the greater weight and earlier maturity of the Shorthorn by **BUYING YOUR FOUNDATION STOCK IN THIS SALE.**

WEST HATTON MARIGOLD 10th, one of the best daughters of the great sire, Edellyn Royal Mercury, this heifer has a very pleasing head, good thickness and depth and is smooth from end to end. We are proud to consign this heifer and feel sure that she will make a splendid addition to anyone's herd.

Lot 69—Cow

S. R. Shaner

## ROAN VELVET 2290233

Roan, calved December 23, 1944. Tattoo RE-13.

Bred and owned by E. R. Knick and S. R. Shaner, Natural Bridge Station, Va.

ROAN VELVET is a heifer that I had planned to keep in my herd as she is one of the best I have ever bred, but the inspection committee persuaded me to enter her in the sale. She is thick and deep, nicely balanced and has a very attractive head.

Shorthorns  
mature the  
earliest of  
all beef  
breeds.

Shorthorns  
give you  
more lbs.  
of prime  
beef at less  
cost.

## *Make And Save You Money*

All powerful groups grow from man's innate desire to mingle with others of equal interests—to pool funds, ideas, efforts—to accomplish what one man or a few cannot hope to do alone. This is what you achieve when you join the American Shorthorn Breeders' Association.

In addition, a membership in this Association serves as a guide for buyers, heading them your way, because every prospective buyer who answers our advertising receives a list of members according to states and counties. Only with the support of its members can your breed Association carry on its aggressive campaign to put Shorthorns into the strongholds of rival breeds everywhere. The American Shorthorn Breeders' Association is the fastest growing breed record Association in America.

Last but not least . . . you save half on registration and transfer fees. A Class B membership costs only \$10. You can pay it all at once, or pay \$5 down with the \$1 yearly dues, and \$5 within 12 months. A membership pays for itself the first year even though you may record only two or three calves. No other cattle association can match our low costs on memberships, registration and transfers. Shorthorns not only give you more for your dollar investment because of their early maturing qualities, but the Shorthorn Association registry and transfer fees also save you money as a breeder. Be one of us. Let this be your membership application NOW. Sign your name and address below and send it with payment to American Shorthorn Breeders' Association, 7 Dexter Park, Chicago 9, Illinois.
